

THE WHITE HOUSE
WASHINGTON

May 12, 1963

Mr. Smith: S

The President said it sure is true that he does not understand Item 4. He is not satisfied with the explanation at all. He thinks there is something funny going on about this business in Cuba. He thinks CIA is contradicting what they have already given him. He thinks it might be well for them to pin it down.

pay

Bundy has talked to President
about this and no further
action is required
